REASONS TO LOVE KNOWLEDGE AND EMPLOYABILITY

The word from the students is....

“Grade twelve, probably my favorite year ever! I am happy that I have grown; that I have gotten the help when I needed it the most. “ **Gr.12**

“I have not had a fight for years. I feel like in these four classes I have learned so much. I do feel like these classes changed me in a positive way and that the teachers did an amazing job.” **Gr 12**

“I was not ready for mainstream but I got my foot out and did well in social, math, and science. In Gr 12, all of my classes are mainstream and I am doing well. My growth had increased since coming here in grade ten.” **Gr. 12**

“I met new people who did not judge me. They make me feel at home and I always have someone to walk and talk with. “ **Gr 12**

“Don’t be someone you’re not; be yourself.” **Gr 12**

“I thought about giving up school because I had a lot of problems, in spite of that, I kept my mom in my head, said to myself that I would do anything in my power to graduate and to give my mom a better life. They have helped me to be a better person. If it wasn’t for their words I would be still making the same mistakes.” **Gr 12**

“Being in this class was great because not only did I learn so much but also I understand why we need education in our life to succeed.” **Gr 12**

”Don’t listen to what stupid people say about you. When I first started high school I was insecure and I was a different person just to fit in. If I could go back in time I would love myself no matter what.” **Gr 12**

“The teachers are great and kind. They taught me to be caring and kind.” **Gr 12**

“I like how they tells us how it is. they don’t lie to us.” **Gr 10**

“No one judges.” **Gr 10**

“It has been the best experience of my life. I’ll never forget any of it. No improvements needed. You woke me up and made me realize I have to try. Thanks to everyone for helping me out when I really needed it” **Gr 10**

“I enjoyed everything we did this year. I love our class; we are a family that cares about each other. **Gr 10**

“I absolutely loved this class. I came in with a bad attitude but K&E turned out to be great. I like that we did not move too fast and that they understood that we do not all learn at the same pace.” **Gr. 10**
