We asked what our students what they felt were benefits to being in our program

- We already know everyone.
- We have a family-like community.
- French Immersion gives us the opportunity to speak and practice another language.
- French Immersion is going to help me get more scholarships.
- I think we learn more because we have to work harder.
- Being in French Immersion helped me learn Spanish.
- The teachers know us really well.
- We're always in class with our friends.
- Somehow it's comfortable, yet challenging.
