### Highlights

- We continue to offer a great educational experience for our students and offer them many different courses, options and support to be successful. Notre Dame outperformed provincial averages in 8 of 10 key measures .
- We are exceptionally proud of our Welcoming, Caring, Safe, Respectful Learning Environment measure of 90.1%. Our staff continues to create the best educational experience for each student at École Secondaire Notre Dame High School.
- Our 3-year and 5-year High School Completion rates were both well above the provincial average. Our 3-year completion rate was 88.6% and 5-year completion rate was 92.4%.

# Faith Survey Results

## Targeted Areas

This year, École Secondaire Notre Dame High School is focused building connections with all learners to foster an educational environment where students are engaged and find what they are learning interesting and useful. Furthermore, we are focused on providing our staff and students with opportunities to deepen their relationship with Christ by demonstrating faith in action through various service opportunities.

94% Notre Dame students feel encouraged to learn more about faith.

93% Students recognize the opportunities they have to come together and pray as a community of believers.

96% Parents report seeing evidence that their child learns about the Catholic faith in our school.

98% Staff believe that our school creates opportunities for students to encounter and make connections with our faith.

## Future Priorities

- ✓ **Faith:** This year our staff will deepen their personal and professional faith lives through community connection and acts of service in order to authentically influence student faith development.
- ✓ **Student Engagement:** This year our staff will focus on engaging their students by creating lessons that students find interesting and useful as well as increase student achievement on diploma exams.
- ✓ **Teacher Collaboration:** The staff will engage in collaboration during professional development days to create lessons focused on increasing a sense of interest and usefulness among students.
- ✓ **Connection:** As a school community, we are striving to develop positive relationships with our students in order to foster an environment where students find what they are learning useful, interesting and engaging.
